Iain Chapple outlines global vision for the EFP

In a special interview in the new edition of *EFP News*, secretary general Iain Chapple explains his vision of the EFP as “the global opinion leader on all issues relating to periodontal health and dental implants.” He also talks about plans to create a new form of international associate member for countries beyond Europe and the EFP’s new projects with its partners. The Autumn/Winter edition of *EFP News*, the EFP’s biannual bulletin, also includes news and interviews about EuroPerio9, an extensive report on European Gum Health Day, and all the important news about the EFP’s recent activities.

EuroPerio9 Ambassadors are working hard to promote Amsterdam congress

An important role in promoting EuroPerio9 is played by the congress ambassadors, one from each of the 30 national periodontal societies affiliated to the EFP. Spyros Vassilipoulos, chair of the Ambassadors Committee, explains the work they are doing in the run-up to EuroPerio9 in Amsterdam in June 2018.
